

ABSTRACT SUBMISSION GUIDELINES

1. GENERAL INFORMATION

The Scientific Committee invites authors to submit their abstracts. All the abstracts accepted will be displayed as posters or rapid fire oral communication.

- The presenting author will have to register to the conference for the abstract to be displayed/presented.
- A maximum of TWO abstracts from one presenting author will be considered in order to assure broad participation and exchange of views.
- The call for papers is relaunched only for the rapid fire abstract communications (8 minutes presentation and 2 minutes discussion) which will take place in rooms parallel to the auditorium program.

2. KEY DATES

- Abstract submission deadline: April 15th, 2022
- Abstract evaluation deadline: April 2022

The Scientific Committee will review each abstract and evaluate its relevance for the conference.

3. SUBMITTER ACCOUNT CREATION

- Applicants should create a submitter account on <https://overcome.key4events.com/content.aspx?e=232&c=1197>
Your email address has to be valid.
- Once your account is created, a login and password are sent to you by email. We invite you to keep them carefully.
- You can submit a new abstract or modify your abstract by entering your login and password in the “abstract submission page”.

4. ABSTRACT SUBMISSION

- All abstracts must be submitted in English.
- Maximum number of words: 300 excluding titles, authors and affiliations.
- Graphics will not be accepted.

TITLE

The title should be concise and written in lower case.

AUTHORS

- The number of co-authors is limited to 15.
- The affiliation of the co-author should contain the following: unit or section, department, name of the organization, city, country.

CONTENT

- Please remain anonymous in the text of your abstract. Do not leave any hint of geographical origin or name. You can replace them with XXX.
- Please, fill out the following sections:
 - a. Aim: description of the objective/aim of the research
 - b. Methods: description of the methods used
 - c. Results: results of the research
 - d. Conclusion: brief conclusion

A draft mode allows you to edit your abstract prior to submission. Once your abstract has been submitted, no further amendments will be possible.

**If you encounter any difficulties while submitting your abstract,
please contact the Scientific Secretariat:**
