Dear Colleagues and friends,

We are pleased to announce that the EUMS and ISMCS societies will hold a joint scientific conference with the common goal to share knowledge and mutually discuss evidence, experiences, trends, perspectives and visions for the future mechanical circulatory support.

The joint EUMS-ISMCS-conference will take place in Hannover, Germany from May 24 - 27th, 2022.

We look forward to welcoming you soon in Hannover.

Yours faithfully, on behalf of the whole scientific and local committee,

Prof. Dr. Jan D. Schmitto

(President of the EUMS-Society 2022)
